#### IV. UNPAID MEAL CHARGES

Students who do not have money on account or in hand to cover the cost of a meal at the time of service are permitted to charge a full meal in accordance with the procedures discussed in Regulation EFB-R/JHCH-R. Students who cannot pay for a meal at school or who owe a school meal debt are not required or directed to throw away or discard a meal after it has been served to them. Students who cannot pay for a meal are never required to do chores or other work to pay for such meals and are not publicly identified, including by the wearing of a wristband or hand stamp.

School Nutrition Services (SNS) notifies principals of any unpaid meal charges. Each school principal or designee notifies the student's parent/guardian in their preferred language regarding negative account balances according to the procedures in Regulation EFB-R/JHCH-R. Parents/guardians are expected to pay all meal charges in full by the last day of the school year.

ACPS may solicit and receive any donation or other funds for the purpose of eliminating or offsetting any school meal debt at any time and will use any such funds solely for such purpose.
