SUMMARY: Preliminary year- to-date report of revenue and expenditures as of November 30, 2021.

BACKGROUND: School Board Policy DI, Financial Accounting and Reporting, requires the preparation and issuance of monthly financial reports. Monthly reports are provided to the School Board for the three primary funds covering school division operations: Operating Fund, Grants and Special Projects Fund, and School Nutrition Fund.

These preliminary financial reports show the FY 2022 Final Budget as adopted by the School Board on June 03, 2021, the revised budget of record as of November 30, 2021 including all adjustments and transfers, all actual revenue earned and expenditures incurred as of November 30, 2021, and all encumbrances booked in this same period. Also included are the remaining balances for each revenue and expenditure line item. These reports are considered preliminary because the accounting period was not officially closed at the time this report was prepared.

A separate report showing all budget transfers exceeding \$25,000 for the reporting month is attached.

BOARD MEMO

There are three budget transfers meeting this criterion in November. Funds were transferred within schools and/or departments for the following reasons:

Operating Fund

- Within Technology Services to fund helpdesk ticket requests
- From Douglas MacArthur and Ferdinand T. Day to Student Services to provide temporary staffing services for psychological services

School Nutrition Fund

- Within School Nutrition Services to purchase additional trays and serving utensils

RECOMMENDATION: The Superintendent recommends the School Board accept the Preliminary FY 2022 Monthly Financial Report for the fiscal year-to-date period ending November 30, 2021.

IMPACT: These reports help inform the Board and the public on ACPS financial activities through November 30, 2021.
