

Ad Hoc School Board Advisory Support Committee Scope of Work

- Review the ACPS Advisory Committee Handbook, School Board policies governing advisory committees (BCE, BCF, BCF-R, BCFB, and BCFC), and the bylaws of each of our six advisory committees to understand current operating procedures
- Review the current membership rosters for the six advisory committees and the process for identifying and orienting new members
- Solicit feedback from current and former advisory committee members about their experience
- Deliberate how to improve recruitment and retention and increase diversity of advisory committee members
- Deliberate how the School Board can enhance interaction and collaboration with advisory committees to advance the vision and goals outlined in the ACPS Strategic Plan
- Consider if any additional advisory committees are needed
- Develop 2-3 strategies to support each desired outcome and submit recommendations to the School Board by December 2021
