COMMUNITY USE OF SCHOOL FACILITIES REGULATIONS AND APPLICATION

I. Purpose

This regulation is developed pursuant to Policy KG for the purpose of providing both the community and Alexandria City Public Schools (ACPS) staff a standard approach to the use of school facilities by community members for nonschool sponsored use.

II. General Guidelines

ACPS facilities are available for use by community groups at times when such facilities are not being used for school purposes. School functions will not be postponed or canceled to make facilities available to the community for nonschool purposes. ACPS reserves the right, on all occasions, through ACPS staff, to ascertain the intended use of the requested facilities and to determine whether such use is proper and acceptable under ordinary standards applying to such facilities. Any use of ACPS facilities by the community is subject to the conditions and requirements identified in this regulation. Failure to meet these identified conditions and comply with these requirements, as well as all applicable ACPS policies and regulations, federal and state laws and local ordinances may result in termination of use and/or prohibition of future use. ACPS employees are prohibited from using ACPS facilities for personal profit or authorizing use of ACPS facilities by others, other than as provided in these regulations. Any organization sponsoring an event on school property shall, to the extent possible, ensure that no individuals participating in such events have been convicted of a criminal offense that would prohibit access to school facilities consistent with policies DJF, GCDA, KK and KNA.

III. Securing ACPS Facilities for Community Use

1. Procedures for Requesting Facilities Use

Any individual or organization (“Community Member”) seeking to use ACPS facilities must contact the School Principal or Building Use Coordinator whose facility is being requested to determine if the proposed dates and times are available. If the facility is available, then the Community Member must complete the Permit for Use of School Facilities (“Request Form”), which is attached to this regulation as Appendix B. Facilities use requests may only be made within the current school year or within six months of the event, and will be approved on a first come, first served basis. Requests must be made at least twenty calendar (20) days in advance. This deadline may be waived on a case-by-case basis by the Superintendent or Superintendent’s designee.

The Building Use Coordinator will request, and the Community Member shall provide with the Request Form, copies of any required documents as identified below, including documents that establish the Community Member’s priority status and/or fee schedule applicable to the requested facility use. Upon receipt of a completed Request Form and supporting documentation, the Department of

Educational Facilities will determine approval and the applicable facility use fees, and tentatively reserve the requested space on the facilities use calendar. The Community Member will then be notified by the Department of Educational Facilities of the conditional disposition of the application. All applicable information is required by noon, one week prior to the event. If payment and the applicable information are not received by the deadline, ACPS reserves the right to cancel the event and remove it from the calendar.

Until a signed permit is received and final approval is granted, the reservation is not considered final and the Community Member will not be allowed to use the requested space.

2. Remembrance Ceremonies

Although ACPS facilities are available for remembrance ceremonies, fellowship and memorial meals, they are not available for funerals. No remains are permitted on ACPS property.

3. Request to Use Outdoor Spaces and Athletic Fields

Use of Parker-Gray Stadium at T. C. Williams High School will be limited to ACPS approved events, as stipulated in Policy KG. All requests for such events must be made by submitting a Request Form to the Superintendent or the Superintendent's designee. The Department of Recreation, Parks, and Cultural Activities manages all of the other multi-use athletic fields and courts within the City of Alexandria. For additional information, please call 703-746-5402 or visit www.alexandriava.gov/recreation and click on Sports Leagues and Programs.

4. Request to Operate Concession Stands at T. C. Williams High School

All indoor and outdoor concession stands are managed by T. C. Williams High School Booster Club members. If a Community Member requests permission to sell food and related items at its event, the T. C. Williams High School Booster Club members have the first right of refusal to manage the concessions and keep the profits.

5. Denial of School Facility Use

The Superintendent or Superintendent's designee may deny use of a school facility when such action is deemed to be in the best interests of ACPS. If a Facility Use Request is denied by the Superintendent's designee, the Community Member has the option to appeal that decision to the Superintendent by submitting such appeal in writing (including the specific reasons why the Community Member believes the denial is in error and should be reversed) within five calendar days of receipt of notice of denial. Appeals may be submitted by regular mail, fax or email. Contact information for appeals is located in Section VII of this regulation. The Superintendent will review the request and the reasons for denial and determine whether to uphold the denial or grant the Facility Use Request. The Superintendent will make reasonable efforts to conduct such review prior to the requested date of the event, but if the appeal is not received sufficiently in advance of the event to allow such review, the requested use is considered denied. The decision of the

Superintendent regarding implementation of this regulation and denial of requested use is final.

6. Reasons for Denial / Cancellation of Use

The following is a noninclusive list of reasons why a requested use of a school facility may be denied or cancelled:

- a. The requested use is during a time when the facility is unavailable, required staff members are unavailable, or a group with greater priority seeks the same space at the same time;
- b. Misrepresentation by a Community Member of intended use; demonstrated history of failure to comply with this regulation or other ACPS policies and regulations, or federal or state laws or local ordinances applicable during community use of school facilities;
- c. Failure to pay fees or costs of damage repairs associated with prior use;
- d. Failure to pay fees or submit required documentation associated with the request;
- e. Excessive damage occurring during prior use(s); and/or
- f. Determination that requested use is inconsistent with the requirements of this regulation.

7. Facilities Use for a Series of Dates

The Community Member may request repeated use of an ACPS facility for a series of dates through one Request Form, provided that the intended use of the facility is the same for each date requested. Should any changes be made that alter the applicable fees, a new Request Form must be submitted by the Community Member and a new permit must be issued to support the increase or decrease in fees.

8. Cancellation

Use of ACPS facilities by Community Members shall be cancelled on any day when schools are closed for inclement weather or other emergency conditions. The sponsor for each activity will be responsible for referring to any weather-related emergency announcements posted on the ACPS website and notifying all participants as to the disposition of the program. ACPS emergency announcements are located at: <http://www.acps.k12.va.us/emergency/>.

It is ACPS' intention not to cancel or change an approved facility use for a specific location. However, there may be times when it becomes necessary to do so. In these situations, ACPS, in coordination with the Community Member, will make every effort to find an alternate suitable ACPS location for the requested use, provided such cancellation or change is not due to actions or omissions of the Community Member. If a suitable alternate location is not available, the facility use agreement will be withdrawn and any fees already paid will be reimbursed.

9. Community Member Cancellation of Event

The Community Member shall notify ACPS as soon as possible of an event cancellation. Events cancelled with less than forty-eight (48) hours' notice shall be

subject to a \$100 processing fee or the actual facility use fee charged, whichever is less.

IV. Community Member Responsibilities for Acceptable Use

1. Compliance with ACPS Policies and Regulations

Use of ACPS facilities is subject to all ACPS policies and regulations. When requesting use of an ACPS facility, the Community Member must agree to comply with all ACPS policies and regulations and ensure that all of the Community Member's agents, employees, and representatives, including all event participants, comply with these policies and regulations as well.

2. Duration of Each Rental

4. Damage to ACPS Equipment and Facilities

Before and after each community use of an ACPS facility, the Community Member or designated on-duty ACPS employee may inspect the facility. Any existing damage found prior to the Community Member's use should be documented and verified by an on-duty ACPS employee, and signed by both the Community Member and the employee. Any damage not documented and verified will be investigated by ACPS, and the Community Member may be held responsible for the full costs of repairing any such damage.

5. Decorations

No signs, posters, banners, decorations, or printed material will be allowed to be pinned or affixed in a way that could mark or damage doors, walls, ceilings, floors or furniture/equipment. 12. Food / Beverages

Refreshments of any kind may not be brought in, served, or consumed in the building unless requested at the time of application and approved in the permit. Food and beverages may not be present in any area of a building except the cafeteria, which requires an additional fee, unless stipulated in an executed agreement with ACPS. Food services and kitchen use are prohibited unless the Community Member contracts with the Office of School Nutrition Services (tel.703- 619- 8048) to ensure that an ACPS School Nutrition Services employee is present. There will be a charge of \$30.00 per hour for this service.

13. Games of Chance and Door Prizes

Fundraising activities such as raffles, guessing games, and other similar games of chance are allowed only when the Community Member has fulfilled all requirements of, and is in compliance with, Virginia state and local ordinances. Gambling in any form is strictly prohibited.

Prior to the approval of requested facilities use, ACPS may request that the Community Member demonstrate to the satisfaction of ACPS that reasonable security measures and precautions have been taken to ensure the safety of all individuals participating in or attending any community-use event. When ACPS requires additional security measures due to the size of the event or other factors, the Community Member must obtain police supervision and is responsible for

No ACPS employee may accept payment directly from a Community Member for services provided in accordance with this regulation.

2. Custodial Services

The Alexandria Parent-Teacher Associations Council (PTAC) and all local parent-teacher associations (PTAs) that have been duly established in accordance with the provisions of the National Congress of Parent-Teacher Associations as specified in its published manual are designated partners of the Alexandria City Public Schools. As such, they are not charged facility use fees for their monthly business meetings and other activities as their respective committee and/or memberships may authorize, provided that such activities or business meetings shall not conflict or interfere with activities sponsored by the schools themselves, and except as warranted on Saturdays, Sundays, and holidays.

PTAC and its member PTAs shall not sponsor an entity so as to directly or indirectly result in a financial benefit to any PTA official.

In accordance with Policy IGBJ, the PTA Council and school PTAs will provide support to individual schools and students as needed to ensure access to PTA-sponsored activities, regardless of financial need.

4. Fee Schedule, Invoices and Use of Fees

PTA Council of Alexandria Criteria for Sponsoring Outside Organizations to Provide After School Programs

The City of Alexandria is home to strong and active Parent-Teacher Associations (PTAs). Many of our elementary school PTAs offer after-school enrichment programs to students, often including world language study, sports, games, academic themes, and/or the arts. PTA-run after-school programs provide a valuable benefit to our school communities.

In many cases, PTA-sponsored after-school programs are taught by school staff members, parents, or community members who work for free or for a small stipend. Other times, PTAs hire outside vendors to provide programming. The PTA Council of Alexandria appreciates ACPS' recognition of the value of PTA after-school programs and its adoption of the Community Use of School Facilities policy which permits PTAs to sponsor after-school programs through outside vendors without paying facilities fees. In view of our partnership with ACPS, Alexandria PTAs will adhere to the following criteria when sponsoring outside vendors:

- The vendor offers a program which appeals to the school community and offers appropriate enrichment to students;
- PTA officials will consider the cost to families, scholarship possibilities, and vendors' profits as they hire outside vendors;
- The vendor has at least \$1 million in general liability insurance, with ACPS listed as the additional insured, and will provide proof of insurance;
- The vendor agrees to require any employees working with students to complete the ACPS Volunteer Application and Screening process;
- Sponsoring a vendor will not result in direct or indirect financial benefit to a PTA official who makes after-school programs decisions. Examples include but are not limited to:
 1. PTA officials who make decisions on after-school programs shall not hire themselves or family members;
 2. PTA officials who make decisions on after-school programs shall not have a financial stake in any business which is hired;
 3. PTA officials will not accept anything of value (*e.g.*, tips, sports tickets) in exchange for doing business or agreeing to do business with a vendor or other third-party. Rebates, discount coupons, or other in-kind benefits provided in the normal course may be received on the PTA's behalf but must be promptly reported and provided to the Treasurer. If a PTA official is offering a program with a fee, that PTA official shall recuse himself or herself from after-school program-related decisions.

Alexandria PTAs look forward to continuing our partnership with ACPS as we all work to provide a high quality and enriching educational experience to our students.
