

# Join the Alexandria School Board Budget Advisory Committee

## Want to Get Involved in Important Issues Impacting Our Schools?

We invite YOU to join the Alexandria School Board Budget Advisory Committee (BAC)

BAC is a volunteer committee that advises and supports the School Board by making recommendations on policies and practices related to Alexandria City Public Schools budget.

### Participating in the BAC allows members to

- Gain insight into the budgetary priorities for educational programming, school staffing, building modernization, and more.
- Provide input into community engagement and communications regarding the best fiscal practices for the budget.
- Offer recommendations regarding budget priorities, engagement between City and ACPS leaders, and opportunities for improving the Division's overall success.

### We are looking for:

- People from across the City of Alexandria, representing the broad diversity of communities, backgrounds, and perspectives that makes our City and Schools thrive.
- Many viewpoints—including students, parents, educators, and other professionals or business representatives—to inform the school division's work.

### The BAC meets once per month at ACHS

Joining the BAC can help you meet other dedicated community members and allow you to contribute to our school system.
